My name is TORY ALEXANDER and I reside at
375 Farmington Ave Hartford. I think
EVERY ONE SHOULD HAVE HEALTHCARE
I KNOW A LOT OF PEOPLE THAT ARE
SICK & NEED SURGERY AS DON'T GET
PROPER TREATMENT. HEALTH CARE FOR
EVERY ONE COULD SAVE PEOPLES LIVES
WITH HEALTH CARE FOR EVERYONE.

The purpose of this letter is to ask if you can help with my efforts in supporting the Raised SP. 425 An Act Establishing a basic health program. This bill is a step in the right direction, but we will continue to move our efforts into free healthcare for everyone. This bill will help a certain portion of people who may not have healthcare.

Thank you for your time and considering my request.

Sincerely,

Name: Tory Angel Alexander
